

Sievekings Takes Their Fleet Graphics To A New Level

Sievekings, Inc. is striving to be the leading marketing and service oriented distributor of petroleum products to a wide range of industrial organizations in and around the St. Louis, Missouri area.

They have taken the attitude that appearance is everything and it shows in the new look they are giving their fleet equipment. It reflects great pride in our community and brings a fresh reminder of the beautiful city where we live.

They offer premium diesel for fleet fueling, storage tanks, and tank wagons. Along with their fine line of lubricants, they offer Schaeffer, Chevron, Sieveking and Brad Penn. In addition, they offer Sunoco and VP Race Fuels.
